Data Protection Policy

The information that you provide to UK Vehicle Consultants Ltd will be disclosed to Third Parties for the purpose of considering this credit application.

These specific companies may use this information for marketing (by post, telephone, or e-mail) subject to the Data Protection Act. If you do not wish these details to be used for marketing please inform US in writing.

The companies may use a process known as credit scoring. Declines based on this automated technique can be reviewed manually on request.

The companies may use this information to carry out searches with credit reference agencies (CRA's). A record of this search will be kept and may be used by other lenders in assessing applications from you for credit in the future.

Any information already held about you by the CRA's may already be linked to records relating to one or more of your partners, including previous and subsequent names of parties to the account. In this case, this application may be treated as financially linked and assessed with reference to any 'associated records'. For joint applications a new 'association' may be created at the CRAs (except for Ltd Companies & Partnerships) which will link your financial records.

If this is a joint application, you must be entitled to disclose information about your co-applicant and/or anyone else referred to by you, and to authorise US to search and/or record information at CRAs about both of you.

When an application is received from a business, information may be sought from CRAs on the company directors and/or partners as individuals.

The companies will check your details with fraud prevention agencies and if false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering. The companies can provide you with further details explaining how the information held by fraud prevention agencies may be used.
